BSEN 166:2002

(EU) 2016/425 PPE

USER INSTRUCTIONS

Assemble visor as shown overleaf, in exact order of steps 1 to 4.

For- Challis Ag+ 3110/01:

Place headband and visor complete over face, adjust cord & toggle until comfortable and secure. The toggle will lock the cord as desired.

For- Challis Ag+ 3110/02:

The headband is indented with a series of equidistant slots. Place one of the end slots on to the headband attachment. Pull the elasticated band until the headband is comfortable and secure and place the nearest available slot over the other headband attachment.

For- Challis Ag+ 3110/01 & Challis Ag+ 3110/02:

The visor is affixed to the headband by snap fittings, the visor is easily removed and replaced by use of these fittings.

Challis Ag+ 3110/01 & Challis Ag+ 3110/02 are designed to meet the requirements of:

PPE Regulation (EU) 2016/425.

Technical Specification: BSI's PPE for Healthcare Professionals 2020/403- Eye Protection

This device is certified by:

Module B Notified Body: NB 2797 - BSI Group The Netherlands B.V., John M Keynesplein 9, 1066 EP Amsterdam, The Netherlands.

Warnings:

Challis Ag+ 3110/01 & Challis Ag+ 3110/02 are to be used by medical professionals only.

Challis Ag+ 3110/01 & Challis Ag+ 3110/02 are specifically designed to prevent transmission of the 2019-nCoV acute respiratory disease virus. The masks are suitable for the prevention of splashes of bodily fluids only to the face. The masks are not to be used to prevent the transmission of other diseases or to protect the user undergoing any other tasks.

Challis Ag+ 3110/01 & Challis Ag+ 3110/02 Incorporate both autoclavable and disposable parts:

Challis Ag+ 3110/01 Challis Ag+ 3110/02 & Challis Ag+ Headband- Autoclavable.

Challis Ag+ 3110/01 & Face-shield Sock- Autoclavable.

Challis Ag+ 3110/02 Face-Shield Adjustable Elasticated Sock- Autoclavable.
